

March 13, 2020

Dear TCH Friends and Families,

After meeting with local town and health officials this week, it is clear the only way to slow down the spread of the COVID-19 virus is to exercise social distancing. Out of concern for the health and well-being of our 1,000 weekly visitors, staff and community, The Community House will be closed to the public Friday, March 13th through Sunday, March 29th. In the event this period of closure is extended, we will communicate once again via email, TCH website and social media pages.

Secret Garden ticket holders will receive a message from Stage 284 regarding ticketing and may contact Brown Paper tickets directly to arrange for a refund as well (support@brownpapertickets.com). We appreciate the hard work our cast members have invested in creating this show and we are working on new dates for this production later this Spring. *Frozen Jr.* will also experience scheduling changes due to rehearsals that must be cancelled. The shows will go on and more detail will be shared as our plans develop. Kids Community families will receive correspondence from Tracey Sacco regarding payment and refund procedures as well.

In the meantime, TCH staff will continue to maintain critical operations, but all non-essential business will be postponed. Your health and well-being is our highest priority and we take this very seriously. Thank you for your patience and understanding as we take these necessary measures to protect our community.

With gratitude,

A handwritten signature in cursive script that reads "Melissa Elmer".
