You Can Make a Difference!

Funds raised through Harvest Dinner will be used to address two critical needs.

COVID Safety & Wellness Fund

- Construction of an outdoor activity and learning space as being outdoors is recommended for safety and wellness during the pandemic
- Upgraded ventilation and air purification systems
- Additional hand washing stations and specialty equipment for cleaning and sanitation

Stage 284 Scholarships & Equipment Fund

Donations to this fund will provide financial aid to children who wish to participate in Stage 284 productions and/or enrichment workshops. Before COVID-19, 10-15% of program participants received scholarships. We expect a significant increase in requests for scholarship assistance.

This fund will also provide much needed equipment.

- T.V. quality video camera and accessories which will enable Stage 284 to film and stream content for virtual programming
- Upgrade lighting and electrical systems and equipment to improve efficiency and safety

TCH Mission

The Community House is dedicated to enrichment through arts and events that promote togetherness and strengthen the community.
